Thanks Jeff. I have an additional clarification for the positions transfer—in Sections 9102(1)(b)1., 9132(1)(b)1., 9145(1)(b)1. and 9151(1)(b)1., the primary responsibility of each position is for facility design services, not “facility design services for privately leased space.” Currently, these positions may be providing facility design services for state-owned or privately leased space.

Jeff,

I apologize for not including this information with the statutory language request for BB0355, but the facilities designer positions to be transferred to DOA from DATCP, DNR and DWD are not GPR positions. The positions from DATCP and DWD are PR-funded positions, and the DNR position is a SEG-funded position.

Please call or email with any questions.
